

REMARKS

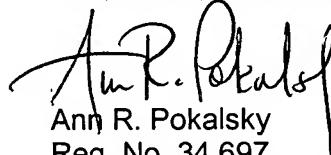

In response to the Notice of Non-Compliant Amendment, mailed February 12, 2009, submitted herewith is a corrected "Amendments to the Claims" section, which corrects an error in the amendment filed on November 17, 2008.

As indicated in Box 4E of the Notice, claim 6 previously recited -31 T→C but the amendment filed on November 17, 2008, by certificate of mail, recites -31→TC and does not indicate by underline or strikethrough that this was an amendment made to the claims.

It is respectfully submitted that in the November 17, 2008 amendment, an inadvertent clerical error to claim 6 resulted in the arrow being moved to appear after the -31 and before the TC, instead of between the T and C. By this corrected listing of claims, the arrow has been placed back to where it originally appeared, between the T and C. No new matter has been added to the application.

Early and favorable consideration of the pending claims is earnestly solicited.

Respectfully submitted,
